INTRODUCTION

We, at S. G. Balekundri Institute of Technology, are pleased to organize a three-day Workshop & Mini Hackathon – HACKFEST 2K26 for first-year students.

This event is organized by the senior students of the Departments of Artificial Intelligence & Data Science (AI&DS), Computer Science & Engineering (CSE), Computer Science & Business Systems (CSBS), Electronics & Communication Engineering (ECE), and Electrical & Electronics Engineering (EEE).

The objective of this program is to provide awareness and practical exposure in the areas of Web Development, AI Tools, Version Control, Backend Integration, Chatbot Development, and Problem Solving through hands-on sessions and a competitive Mini Hackathon.

The workshop sessions will guide participants on modern tools and technologies, while the Mini Hackathon will enable students to apply their learning in a real-time development environment.

Students are encouraged to participate actively and make the best use of this opportunity to enhance their technical skills, creativity, teamwork, and industry readiness.

OVERVIEW

- 3-Day Technical Event
- 2 Days Workshop Sessions
- 1 Day Mini Hackathon
- Hands-on Technical Learning
- Beginner Friendly Sessions
- Real-Time Project Development
- Team-Based Collaboration
- Industry Tool Exposure
- Final Project Showcase

WORKSHOP MODULES

i WEB DEVELOPMENT

Learn HTML, CSS, JavaScript, responsive web design, and webpage creation using modern UI practices.

ii AI CODE TOOLS

Explore AI-powered coding assistants and modern productivity tools for code generation, debugging, and rapid prototyping.

iii GIT & GITHUB

Understand version control, repository management, collaboration workflows, and project deployment using GitHub.

iv TECHNICAL QUIZ

Participate in interactive technical quizzes designed to test logical thinking and technical basics.

ADVANCED MODULES

v BACKEND & API INTEGRATION

Learn backend concepts, API integration, data handling, and real-time application connectivity.

vi CHATBOT DEVELOPMENT

Build beginner-friendly AI chatbots using modern conversational technologies and automation tools.

vii LINKEDIN & PROFESSIONAL BRANDING

Create professional LinkedIn profiles, improve online presence, and understand networking strategies for career growth.

LEARNING OUTCOMES

- Practical Development Experience
- Understanding of APIs & Backend
- Exposure to AI Tools
- Team Collaboration Skills
- Knowledge of Version Control
- Problem-Solving Abilities
- Real-Time Project Building Experience

MINI HACKATHON

Participants will work in teams to solve real-world problem statements using technologies learned during the workshop sessions.

THE HACKATHON IS DESIGNED TO ENCOURAGE

Innovation

Creativity

Technical Skills

Teamwork

Problem Solving

Real-Time Development Experience

EVALUATION CRITERIA

- ★ Implementation
- ★ Creativity
- ★ Integration
- ★ Teamwork
- ★ User Experience
- ★ Innovation

RECOGNITION & REWARDS

Exciting Prizes & Goodies Await!

Winner Recognition

Best Innovation Recognition

Best UI/UX Recognition

Certificates of Achievement

Participation Certificates

Technical Mentorship

Networking Opportunities

Project Showcase Opportunities

WHY PARTICIPATE?

-  Hands-on Learning Experience
-  Exposure to Modern Development Tools
-  Real Hackathon Workflow
-  Build Real-Time Projects
-  Improve Team Collaboration Skills
-  Learn Industry-Relevant Technologies
-  Connect with Seniors & Mentors
-  Enhance Resume & LinkedIn Profile

EVENT SCHEDULE

DAY 1 – WORKSHOP (CSE, CSBS)

TIME	ACTIVITY
10:30 AM – 10:45 AM	Orientation
10:45 AM – 11:45 AM	Web Designing (Build Webpage)
11:45 AM – 12:30 PM	AI Code Tools (Generate Code)
12:30 PM – 01:15 PM	Technical Quiz
01:15 PM – 02:00 PM	LinkedIn Profile Setup
02:00 PM – 03:00 PM	Lunch Break
03:00 PM – 03:45 PM	Git & GitHub (Upload Project)
03:45 PM – 04:20 PM	Backend (API Integration)
04:20 PM – 05:00 PM	Chatbots (Implementation)

DAY 2 – WORKSHOP (AI&DS, ECE, EEE)

TIME	ACTIVITY
10:30 AM – 10:45 AM	Orientation
10:45 AM – 11:45 AM	Web Designing (Build Webpage)
11:45 AM – 12:30 PM	AI Code Tools (Generate Code)
12:30 PM – 01:15 PM	Technical Quiz
01:15 PM – 02:00 PM	LinkedIn Profile Setup
02:00 PM – 03:00 PM	Lunch Break
03:00 PM – 03:45 PM	Git & GitHub (Upload Project)
03:45 PM – 04:20 PM	Backend (API Integration)
04:20 PM – 05:00 PM	Chatbots (Implementation)

DAY 3 – MINI HACKATHON

TIME	ACTIVITY
10:30 AM – 11:00 AM	Problem Statement Announcement
11:00 AM – 02:00 PM	Development Phase
02:00 PM – 03:00 PM	Lunch Break
03:00 PM – 04:30 PM	Project Evaluation
04:30 PM – 05:00 PM	Results Announcement

GENERAL GUIDELINES

- Team Size: 3-4 Members
- Participants must bring their own laptops
- Internet facility will be provided
- All teams must submit projects before evaluation
- Use of AI tools is permitted
- Projects must be developed during the event
- Participants are encouraged to collaborate actively
- Teams must follow event rules and timings

KEY HIGHLIGHTS

- Hands-on Technical Learning
- Beginner Friendly Sessions
- AI & Modern Development Tools
- GitHub & Version Control Training
- Backend & API Integration
- Chatbot Development
- Interactive Technical Quiz
- Team-Based Learning
- Live Demonstrations
- Final Project Showcase

KEY DATES

- Registrations Start
10 May 2026
- Registrations Close
12 May 2026
- Workshop Sessions
10 – 12 May 2026
- Mini Hackathon
13 May 2026

ABOUT SGBIT

S. G. Balekundri Institute of Technology (SGBIT), Belagavi, is a premier engineering institution known for academic excellence, innovation, and industry-oriented education.

The Department of Artificial Intelligence & Data Science actively promotes technical learning, innovation, and practical exposure through workshops, hackathons, and collaborative technical events.

The department encourages students to explore emerging technologies, improve problem-solving skills, and develop industry-ready technical expertise.

S.G Balekundri Institute of Technology

Approved by AICTE, New Delhi & Affiliated to VTU, Belagavi
CET Code: E175, COMEDK Code: E110, PG CET Code: 942

An ISO certified institution | Five UG departments NBA accredited

☎ 0831-2407172, 2554559
